THINK ABOUT IT:

Citta's HRMS simplified our workforce management, payroll, and performance tracking effortlessly!

JAY PATEL

ABOUT NEEVA GREEN AGRO

Neeva Green Agro is a well-established packaged flour brand, distributing high-quality wheat products across the region. It was started with a vision of delivering high-quality food products to consumers. After having experience in cultivating Wheat, Chana and other Agri Commodities themselves for years, they realised there is a huge gap between the expectations of customers and market supply.

PROJECT

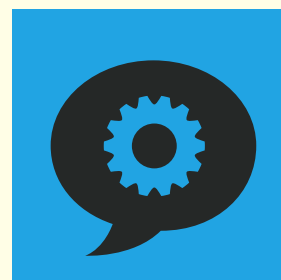

OVERVIEW

Neeva required an HRMS solution to automate payroll processing, improve attendance tracking, and optimize employee management. Citta implemented a biometric attendance system, automated payroll module, and performance analytics dashboard, ensuring a more efficient and productive workforce.

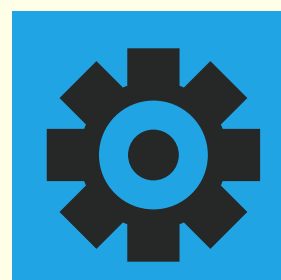

PAIN POINTS FOR NEEVA GREEN AGRO

Manual payroll errors – Frequent salary miscalculations and delays.

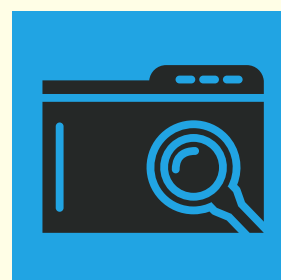

No centralized employee data – Hard to track records.

Attendance tracking issues – No biometric integration.

Lack of performance insights – No structured evaluation system.

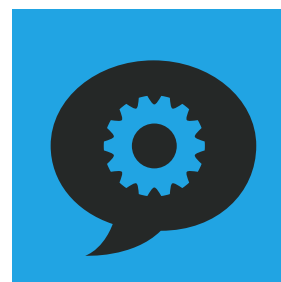

Time-consuming HR operations – Inefficient manual processes.

OUR SOLUTIONS

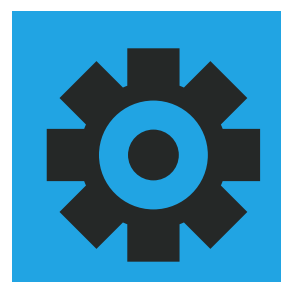

FOR NEEVA GREEN AGRO

Automated payroll processing - Eliminated manual errors and delays.

Employee database integration - Centralized, structured records.

Biometric attendance system - Accurate tracking of work hours.

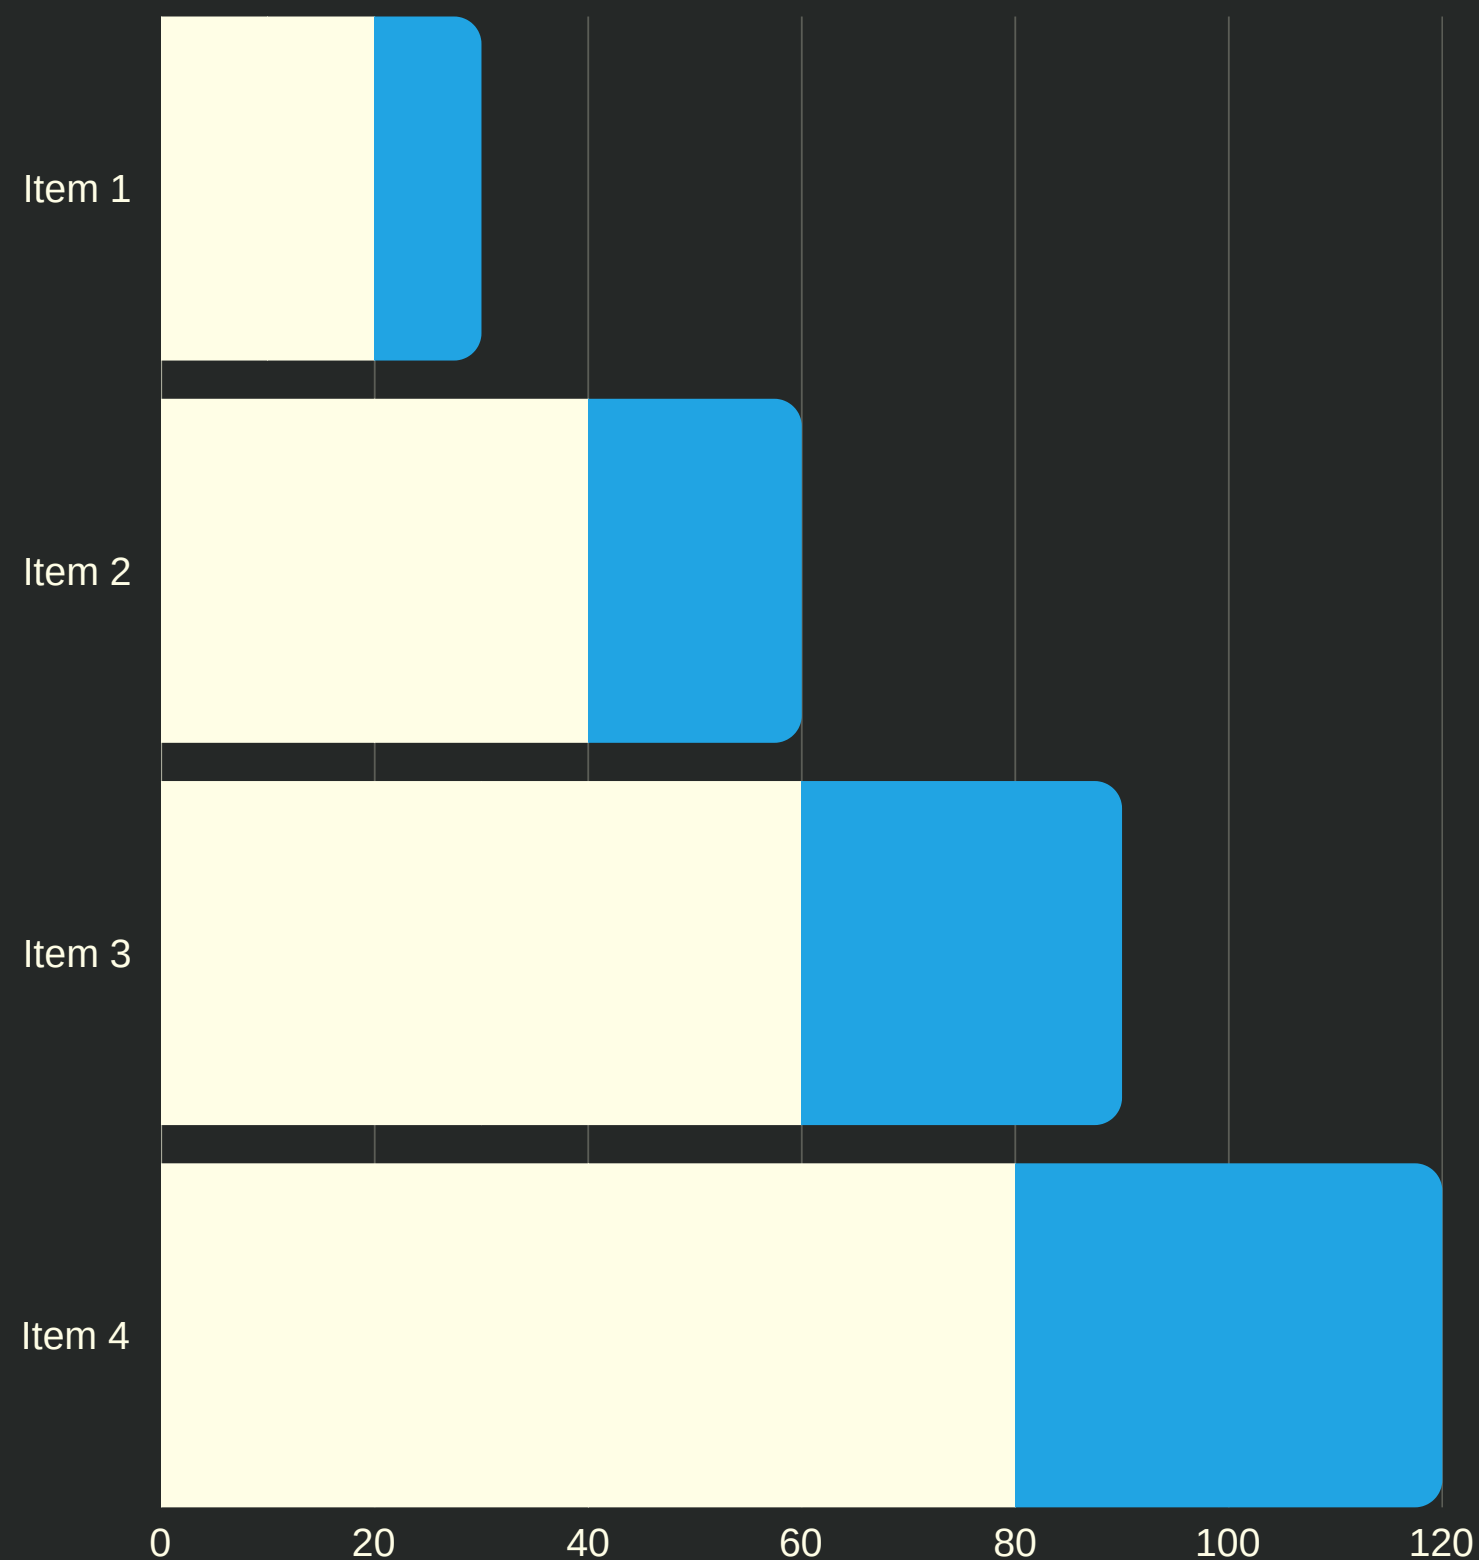

Performance tracking module - Structured appraisals and insights.

HR workflow automation - Improved efficiency and reduced workload.

FACTS & FIGURES

- **50%** reduction in payroll processing time.
- **30%** improvement in attendance accuracy.
- **25%** faster employee record retrieval.
- **20%** increase in workforce productivity.

**BETTER PAYROLL
ACCURACY.**

**HIGHER
EMPLOYEE
PRODUCTIVITY.**
